

Johnny J. Moyer

Ph.D. Emphasis: Occupational and Technical Studies
Technology Education

Program Entrance Date: Fall 2006

Current Job: Administrator, Career and Technical Education, Chesapeake VA

Projected Job: I plan continue my route in administering the Career and Technical Education program in Chesapeake, VA or to teach at the university level.

Future Aspirations: I recently started working as a Career and Technical Education Supervisor. My plans are to continue working in that position and then to possibly teach as an adjunct professor after I achieve my Ph.D. If I enjoy teaching more than being an administrator, I may then make the move to teach at the university level.

Previous Education
