President's Message

Hello everyone! I would like to welcome you to a new year of the Mathematics/Statistics Club. I would like to encourage both new and returning students to take advantage of this opportunity to meet new people and help create a strong community bond within our department. We are very excited about our upcoming events, including the monthly meetings with inspiring guest speakers and the department picnic. I hope to see everyone throughout the year!

Good luck with your studies, eat a healthy breakfast and don't forget to smile!
