The Grand Chapter Distinguished Teacher Award is given to a classroom or laboratory teacher who is engaged in full time teaching in one of the areas recognized by the Association Career and Technical Education Association at either the secondary school or post-secondary levels.

To be considered for this award, the teacher must have recently, or is currently, providing outstanding leadership in one of the areas previously stated. Current or recent significant contributions to one or more of the areas will be given considerable weight. Examples: innovative/unique programs, leadership, promotion, and/or development of programs.

Contributions must have been made or achieved within the past five (5) years. The individual must be an active paid-up member of Iota Lambda Sigma for a minimum of five years. In addition, activities, and service in both Iota Lambda Sigma Chapters and other professional organizations will be given consideration. Community development and service club activities will be considered.

Procedure:

1. Complete the nomination form.  
2. Include a description of the work.  
3. Include letters of support from at least three persons who verify the work done.
