Essay Questions:

What changes, if any, could be made to the class that would have helped you to learn more? What could the instructor have done to make the course an even better learning experience?

Discuss about some questions together on the chapter questions in the book instead of doing all of them ourselves in the homework

What could you have done to make the course an even better learning experience?

The last sections of the course are way harder than the previous two sections(quantum, nucleus etc), can make it easier.

What did you like most about the class and your instructor?
